

## OUR HOUSE TAVERN

Among the many landmarks of the Freehold area "Our House Tavern" is which dates back before the revolution to 1747. Built in that year by George Marriner, it was operated for many years as the Marriner's Tavern. Throughout later years it was then established as "Our house tavern" by the previous owners. Over the years this restaurant has been a gathering place for township meetings, dances, weddings and many other happenings. It was also a gathering place for a band of outlaws called the Fagan Gang. A member of the gang named Lewis Fenton was hanged on September 23, 1779 in front of the restaurant by members of the Major Lee's Light Dragoons who were stationed at the county seat of the Monmouth County CourtHouse known as Freehold. It is also inspiring that our ex employee who used to serve our guests like you, become Deputy Mayor of Howell Township. It is also inspiring that hard working personnels Mr. Robbie , SHY & family members continuing this history since 2005 with countless improvements to serve you better than before. So, welcome to the long list of the great, near great and the not so great who have dined and drank here at Our house for the past close to three centuries!!!
